

Kapsch Group

***Discover. Learn. Experience.
Technology as a whole.***

With a commercial apprenticeship at Kapsch.

You are ...

- > finished with mandatory schooling or are in the final stages, want to switch to an apprenticeship from high school or have already passed your school leaving examination and now want to combine theory and practice?
- > interested in innovations and new technologies?
- > good at the subjects German, math and English?
- > proactive, team-minded and have an ability to learn quickly?
- > interested in completing an apprenticeship at a state certified training establishment?
- > open to new things with enthusiasm and commitment?

We offer you ...

- > a dual training system (vocational school and directly in different departments).
- > an insight into the technical world of information technology and telecommunications.
- > experience of more than 70 years in apprentice training and since 1997 also for partner companies.
- > advanced training courses during your apprenticeship. You can start your school leaving examination alongside your work and in parallel with studies and we offer you career and development opportunities during your future profession at the Kapsch Corporate Learning Center.
- > varied tasks in an international environment.
- > an appreciative company culture in a family company, where you count as an individual.
- > comprehensive social benefits (such as food aid), premiums for excellent performance, internships abroad and a qualification after 3 years with the final apprenticeship examination.

The following junior positions could be your objective after the apprenticeship:

- > Commercial sales manager
- > Commercial project manager
- > Buyer
- > Controller
- > Accountant
- > HR administrator
- > Export administrator

We are ...

- > known for our ITS, enterprise and carrier solutions, which are based on wide-ranging technological expertise and experience and specifically tailored to the relevant customer benefits.
- > active internationally and represented on all continents.
- > proud of our more than 6,800 employees in our global subsidiaries.
- > customer-oriented and offer high-quality customized solutions.

About Kapsch Group
